

We enroll preschool age children from the ages of 2.5 years to 5 years old. Children typically need to be 2 years and 9 months by the start of school. However, on a case by case basis children may be admitted from 2 years and 5 months old, at the discretion of the Director and teachers. Our teaching team is prepared to serve a diverse community of children.

At Highrock Covenant Preschool we provide a quality education in a warm and loving environment, based on the Christian teaching and examples. We seek to nurture and develop each child's educational, social and spiritual potential. Our goal is that every child under our care would flourish and grow as a confident unique creation of God, with a strong connection to others and their world, while equipping them for future learning.

Rhythm Kids

Using the curriculum, "Drum like an Animal!" children will take an imaginary trip to an African village where singing, dancing, and drumming is a way of life. A local instructor from Rhythm Kids will bring a Djembe (African drum) for each child to play and teach simple rhythms, songs and dance moves while learning about different African endangered animals.

Babylon & "Barnyard Babies"

Your child will travel back in time without leaving Arlington! Our center will be transformed into the ancient city and children will become a part of history as they see, hear, touch, and even taste what it was like to live there! They will make historical crafts in the marketplace shops, visit and talk with Daniel, take part in games, dance to lively worship songs, and even visit a live petting zoo from "Barnyard babies" as they discover more about Daniel's adventures in Babylon.

Session 9 & 10: August 13 – 24

Monet's Garden

Children will learn about the French Impressionist artist Claude Monet and his beautiful flower garden at Giverny. They will re-create the garden themselves by planting, caring for, and painting flowers in their own flower garden. We will also incorporate Monet's artistic style in making over our playground into a beautiful work of art using mosaics!
